THE JOY OF CHRISTIAN LIVING

4-WEEK STUDY GUIDE

DARLENE SCHACHT, THE TIME-WARP WIFE

Introduction

While the book of Philippians is a small one, consisting of only four chapters. It's a book that's packed full of encouragement for today's Christian walk.

Throughout the book Paul refers to the joy that is available to all Christians, and while the main theme of the book leans toward joy, it's also about humility, peace, obedience and contentment.

Paul urges the church to adhere to the gospel of Christ, and to be aware of false teachers. He also encourages them to rejoice and to live joyful lives.

The emphasis on joy and contentment makes the book of Philippians a favorite to many.

This 4-week study opens up with a focus on Paul, his conversion, his mission, his visit to the Philippian church in the book of Acts, and his suffering. By gaining a better understanding of the author and his relationship to the church, we have a deeper understanding of his letter to them.

Digging Deeper

The study is divided into sections, each consisting of two days. This provides you with an extra day to dig deep into each topic.

Here are a few ways to do that:

- Look up the scripture in a commentary like *Matthew Henry's* or grab a different translation, and read it again. Is there anything that you missed the first time?
 - Is a commentary too much for you? Try Matthew Henry's Concise Commentary which is an abbreviated version.
- Look for other verses in the Bible that talk about the same topic. What can you learn from them?

- Cross reference key verses that stand out to you. You can cross reference any verse online at: http://www.openbible.info/labs/cross-references/
- Look for life application principles. Ask yourself how you can improve in this area.
- Use the Blue Letter Bible at http://www.blueletterbible.org where you'll find interlinear Greek and Hebrew translations, as well as other awesome Bible study tools.

Quieting Your Heart

I believe that prayer is an essential part of studying the Bible. At the end of each day you'll see a reminder to grab your journal and quiet your heart.

A journal can be anything from a piece of paper to a pretty little book you pick up at the mall. It's a daily prayer journal that gets you into the habit of writing your prayer down in a book.

Some readers prefer to use the *Quieting Your Heart: 6-Month Prayer Journal* – available at Amazon.com. It's a pretty little journal with birds that you can color, scripture you can meditate on, and a place to record prayer requests: http://amzn.to/2aJnjda
