

Exodus Chapter 6

GOD REMEMBERS HIS COVENANT

God appeared to Abraham, Isaac, and Jacob, by the name of God Almighty. Why didn't He appear to them in this chapter as Jehovah "Yahweh" (Strong's H3068)? The answer may be found in the root word "Hayah" (Strong's H1961). Also read Genesis 12:1-3

What promises does God make to His people in this chapter? Can you find the 7 "I will's?"

In what ways if any do these promises parallel the covenant between Jesus Christ and the church?

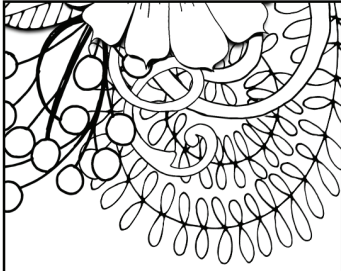

Why didn't the Israelites listen to Moses?

There were three types of enslavement in Ancient Egypt. What were they? (Look up “Slavery in Ancient Egypt” on Wikipedia)

Which type of enslavement do you think the Hebrews were under at this time?

Who were Aaron’s sons? Who was his grandson?

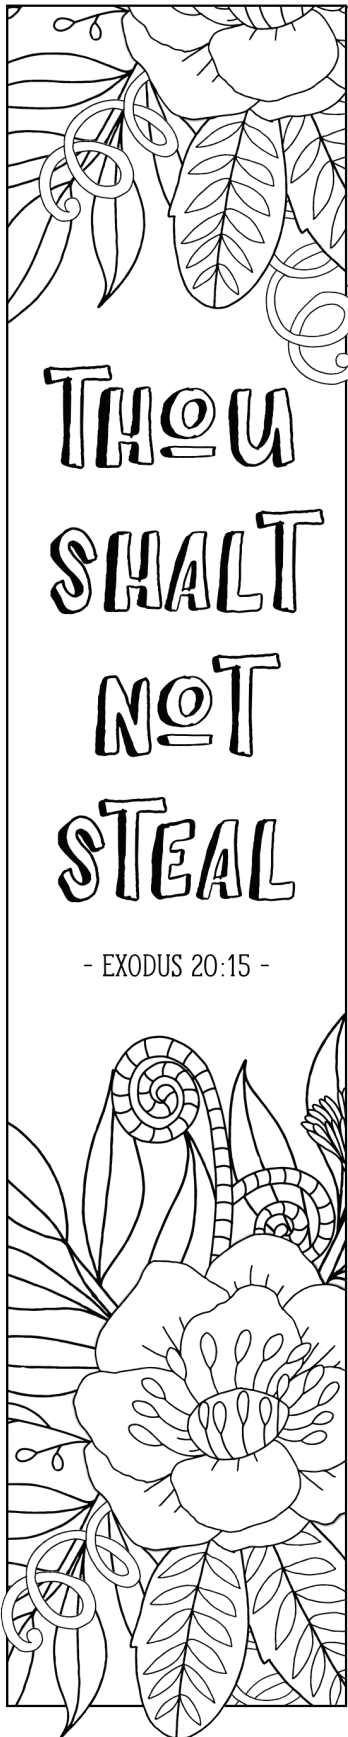

Verse 17 is a pivotal point in this study. God says, “this thou shalt know that I am the Lord.” Throughout this study we’ll be looking at the 10 plagues of Egypt. It’s interesting to note that while the purpose of these plagues was to prove to all that there was only one true God, each plague was uniquely designed to cast down the many gods that they worshipped.

What was Aaron's role in the Exodus story?

Verse 3 tells us that God hardened Pharaoh's heart. He foreknew exactly what Pharaoh would do, and so God used his weakness to accomplish a purpose. What else can we learn about the mercy and sovereignty of God in Romans 9:14-18?

How old were Moses and Aaron at this time?

How did God demonstrate His power through the miracle of the serpent?

Before we continue with the plagues, let's look up the word "Pharaoh" on Wikipedia. What role or authority was the pharaoh given in connection to religion in Egyptian society?

Idol worship was rampant in ancient Egypt. In fact, the Egyptians worshipped hundreds or perhaps even thousands of gods. As we'll discover in this study, each one of the nine plagues was designed to attack these gods. As we go through the next few chapters, we'll look at a handful of them.

There are ten plagues in total. We see the first one in this chapter. What is it?

Look up, "The Egyptian god Hapi," and briefly explain who he was.

We find the fourth plague in this chapter. What is it?

Why did God go through all of this trouble of sending 10 plagues when He could have easily wiped Pharaoh off of the face of the earth?

What does Pharaoh teach us about stubborn people, our inability to change them, and the power of God?

How is Pharaoh’s remorse in verse 27 different from that of sincere repentance?

What are some of the reasons people turn their back on God, when His presence is evident in their lives?

Why does God want the story of the plagues in Egypt passed down from generation to generation?

What was the eighth plague?
